

# LATIN AMERICAN ECONOMIC OUTLOOK 2020: DIGITAL TRANSFORMATION FOR BUILDING BACK BETTER

*Thursday, November 26, 2020*  
*09:00 – 10:20 (UTC-5)*

The Covid-19 pandemic has a profound impact on LAC socioeconomic conditions, accentuating an already very complex scenario due to structural weaknesses in the region. LEO 2020 explores how digital transformation can help address the current socioeconomic situation, boost productivity, strengthen institutions, and achieve higher levels of inclusion and well-being.

The session will present a summary of the main findings of the report and will discuss the priorities of socio-economic and digital policies at the national and international level for LAC's recovery.
