IV. MEETING AND COUNTRY INFORMATION

1. General information about Uruguay

The country

Uruguay is a South American country located in the eastern part of the Southern Cone. It borders with Brazil to the northeast and Argentina to the west and has coastline along the Atlantic Ocean in the southeast and Río de la Plata to the south.

The country is divided into 19 departments and has a total population of 3.4 million. The capital and largest city is Montevideo, with 1.4 million inhabitants, and nearly 2 million people, or 58.8% of the country’s total population, live in the metropolitan region.

The climate in Uruguay is moderate and humid, with an average annual temperature of 17 °C. Summers are warm and it rains throughout the year.
Useful information for your stay

**Local currency**
The official currency is the Uruguayan peso. The exchange rate is approximately 40 Uruguayan pesos per United States dollar. Most restaurants, hotels and stores accept credit cards. Montevideo has a well-developed network of bank machines. Banks are open to the public from 1 p.m. to 5 p.m., although some banks remain open until 6.

**Electricity**
The electrical current is 220 volts and 50 Hertz. There are two types of plugs: one with round prongs and one with flat prongs in the shape of an inverted "V".

**Taxis and "remises"**
The use of taxis is encouraged, including the taxis that park at the entrance to hotels. All taxi services in Montevideo charge according to the display on the meter and the corresponding rate schedule. There are also private taxis, known as "remises", that do not use a meter and that charge by the trip or by the hour, according to a fixed or previously agreed rate. The cost for a taxi from the airport to the hotel, at a special rate for meeting participants, is approximately US$ 45.
